

GROWTHZONE PAY

THE EASY WAY TO ACCEPT AND PROCESS PAYMENTS!

Now associations can easily process one-time and automatic credit card, debit card, and bank payments!

RECEIVE PAYMENTS FASTER!

PROCESS AUTOMATIC PAYMENTS EFFORTLESSLY!

Bank account, credit, and debit cards are charged and money is deposited into your bank account.

No more manual matching of credit card payments with invoices! Payment is automatically applied to the correct invoice.

Confirmation receipts are automatically emailed to the payer.

STREAMLINE OPERATIONS!

AUTOMATIC PAYMENTS

Membership applicants can set up automatic payments as they are applying online - doing away with the entire renewal process.

Existing members can set up autopay themselves in the Member Information Center.

You can automatically charge monthly, quarterly, semi-annual, or annual membership dues on a specific day without having to routinely log into your software or even click a button.

FULL DATABASE INTEGRATION!

USE 1 PASSWORD & PORTAL

Access all of the GrowthZone Pay features via your GrowthZone subscription. (There's no need for an additional processor or gateway!)

PLUS

FEATURES

REPORTS

Members can view & pay invoices right from your member InfoHub.

Use a single point of contact for support.

Members can store their payment information for future use — great for members when they register for events!

ACCEPT PAYMENTS ON THE GO!

EXPERIENCE THE POWER & CONVENIENCE OF

THE MOBILE CREDIT CARD READER!

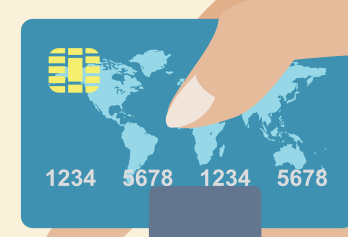

Provide more payment options and increase purchases at events!

Payment receipts are emailed to the payor immediately after payment is made!

Your GrowthZone database is automatically updated with payment transactions via the Mobile Card Reader. No more post-event manual input of payments!

COMPARE SOLUTIONS

THE CHOICE IS EASY!

GROWTHZONE PAY GIVES YOU ALL THIS AT NO EXTRA CHARGE!

CONSIDER CONVENIENCE

Is there one vendor and point of contact for support issues?

Are all features and information accessible in one place?

Can your members store their information for easy future transactions?

ASSESS TIME SAVINGS

Can you eliminate calls to late member accounts? **YES!**

Do you gain more time by not having to match manual payments with invoices? **YES!**

Can event attendees pay you via a mobile card reader? **YES!**

Do mobile card reader payments automatically update to your database without additional manual input? **YES!**

CALCULATE FEES

	GROWTH ZONE	OTHER PROVIDER
Setup and/or enabling charge	\$0	\$ ___
PCI non-compliance charge	\$0	\$ ___
Store member credit card, debit, and bank account information	\$0	\$ ___
Mobile payment processing	\$0	\$ ___
Run batches or view statements	\$0	\$ ___
Charge (and conditions) to terminate	\$0	\$ ___
Gateway and processor fees	\$0	\$ ___
EXTRA FEES:	\$0	?
